Objectives

- as stated in the society's constitution:

- To safe-guard the special nature of the Park (a watch-dog role)
- To disseminate information on the Park to the public and act as a channel for public opinion (a consultative role)
- To enable and encourage active support and promotion for the Park and its features (an educational, and "hands on" role)
- To foster generally the on-going maintenance, development and survival of the Park.
